

This map illustrates the boundaries of State Legislative District 7 in Montana. The district is a large, irregularly shaped area in the central part of the state. It is bordered by District 9 to the north, District 8 to the south, and District 11 to the east. The city of Kalispell is located within District 7. The map shows a network of roads, including major highways like I-94 and I-15. Water bodies such as the Whitefish River and Stillwater River are also depicted.
